dangerousness and flight risk, under 18 U.S.C. §3142(e).

- 2. Defendant has two prior VUCSA convictions which, if alleged, give rise to a mandatory minimum sentence of life. The AUSA proffers information that significant quantities of powder and crack cocaine were seized from the defendant's residence together with a loaded revolver. The AUSA further proffers information that defendant and other co-defendants discussed attempts to secret their firearms during wiretapped conversations. The alleged drug trafficking with which defendant is charged is alleged to have taken place at defendant's residence. Defendant is alleged to have admitted substance abuse problems. He is not employed.
- 3. Taken as a whole, the record does not effectively rebut the presumption that no condition or combination of conditions will reasonably assure the appearance of the defendant as required and the safety of the community.

## It is therefore ORDERED:

- (1) Defendant shall be detained pending trial and committed to the custody of the Attorney General for confinement in a correction facility separate, to the extent practicable, from persons awaiting or serving sentences or being held in custody pending appeal;
- (2) Defendant shall be afforded reasonable opportunity for private consultation with counsel;
- On order of a court of the United States or on request of an attorney for the (3) Government, the person in charge of the corrections facility in which defendant is confined shall deliver the defendant to a United States Marshal for the purpose of an appearance in connection with a court proceeding; and
